☐ **Featured Listing** $100 per year

Add your logo, a company description, to be positioned higher in the search results within our membership list with a Featured Listing. Featured Listings appear at the top of the results within a relevant search, before the standard alphabetized company listings. The Featured Listings appear in random order at the top, so likelihood of being positioned at the top are equal. Provide a logo and a description of up to 150 words.

Note: The Featured listing text is now searchable by keyword!
This means anyone using our site can find your company by typing in any word and all companies with that keyword in their company name, description, or that paid to be listed in a cooresponding category in the annual printed Guide will be shown in the results.
